

IMPORTANT INFORMATION REGARDING YOUR PATIENT'S PET SCAN!

Patient will be scheduled when the form on the reverse side and the following instructions are completed:

- Contact Patient Insurance Carrier for Authorization or Pre-Certification.
- Fax Patient Reports (C.T., M.R.I., Pathology, Labs, etc.) to Premier PET Imaging of Hialeah.
- Fax Patient Insurance Cards to Premier PET Imaging of Hialeah.

NOTE: CURRENT FILMS MUST BE AVAILABLE AT THE TIME OF PET EXAM TO INSURE TIMELY RESULTS!

Patient preparation for PET scan:

- Absolutely **NO** food, snacks or liquids (other than plain water) 6 hours prior to the exam. Absolutely **NO** candy, mints, gum, cough drops, or anything that may contain sugar.
- **DO** drink 4-6 glasses of plain water prior to your scheduled appointment time.
- Please arrive at Premier PET Imaging of Hialeah 30 minutes prior to scheduled appointment time.
- Please allow 2-3 hours for PET examinations.
- Upon arrival at Premier PET Imaging of Hialeah the Patient Care Representative will ask the patient to sign a form giving consent to have the procedure performed.
- The PET Imaging Technologist will explain the procedure to the patient, as well as answer any further questions the patient might have.
